

3 October 2017

Dear Resident,

**A1 night closures for essential maintenance**

I am writing to let you know that we will soon be carrying out essential maintenance along the A1 from A1(M) junction 10 to Wyboston.

Subject to weather conditions we plan to complete the works overnight from 16 October to 17 November 2017

The working hours are as follows: **Monday to Friday 9pm – 6 am**

**Traffic restrictions**

In order to carry out these improvements as quickly and safely as possible we'll need to put in place road closures along the A1. Clearly signed diversion routes will be in place during this time.

- The A1 road closures will be from 9:00 pm -6:00 am as follows:
- Northbound A1: 16 October - 27 October: A1(M) junction 10 to the Sandy roundabout (A603 junction)
- Southbound A1: 23 October – 3 November: A1(M) junction 10 to the Sandy roundabout (A603 junction)
- Northbound A1: 30 October – 17 November: Sandy roundabout (A603 junction) to Wyboston (A428 junction)
- Southbound A1: 6 November – 17 November: Sandy roundabout (A603 junction) to Wyboston (A428 junction)

**Access to properties**

When the road is closed we will maintain access to properties along the A1 and marshals will be available to arrange this as required. Please be patient while waiting to be escorted through the closure.

This work will likely result in additional noise in your area while we are working. We will keep this to a minimum and apologise for any inconvenience and disturbance that may be caused.
